

Primary School Sustainability Expo

An event to support student environmental leadership

OBSERVATORY HILL
ENVIRONMENTAL EDUCATION CENTRE

Observatory Hill EEC invites teams of up to eight primary school students from school environmental groups to attend a Sustainability Expo on Thursday 21st November. Students will participate in engaging, hands-on workshops run by high school leaders, and learn ideas for school based sustainability projects and actions.

Cost: \$10 per student

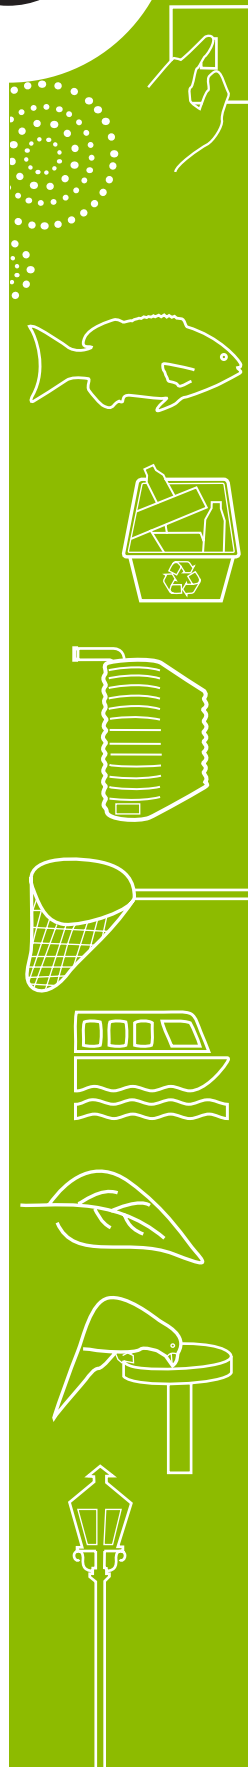

Location: Coal Loader Centre For Sustainability, Waverton

Date: Thursday 21st November

Teachers morning tea and lunch is provided. There is ample street parking, and the Centre is a short walk from Waverton Station

Students attending the Expo will be supervised by **experienced and qualified** DoE Environmental Education Teachers.

Application on reverse.
