

# Leadership Workshop and Sustainability Expo for High Schools

A program to support student leadership

**OBSERVATORY HILL**  
ENVIRONMENTAL EDUCATION CENTRE

***Are your students interested in environmental leadership?  
Could they benefit from being a student mentor?***

The Leadership Workshop and Sustainability Expo is a two day leadership event for high school students to learn how to become better environmental leaders and mentors.

Students attending the Workshop and Expo will attend inspirational presentations on key aspects of environmental sustainability that will help them develop:

- Leadership skills;
- A sustainability themed workshop presentation to deliver to primary school students.

The Leadership Workshop and Sustainability Expo is run by specialist DoE teachers from Environmental and Zoo Education Centres, as well as community sustainability leaders.

The leadership program has two main components:

1. An introductory environmental leadership workshop for high school students at Taronga Zoo Sydney on Thursday 28th July
2. A follow-up Sustainability Expo involving local primary school students at the Coal Loader Sustainability Centre Waverton, on Thursday 15th September.

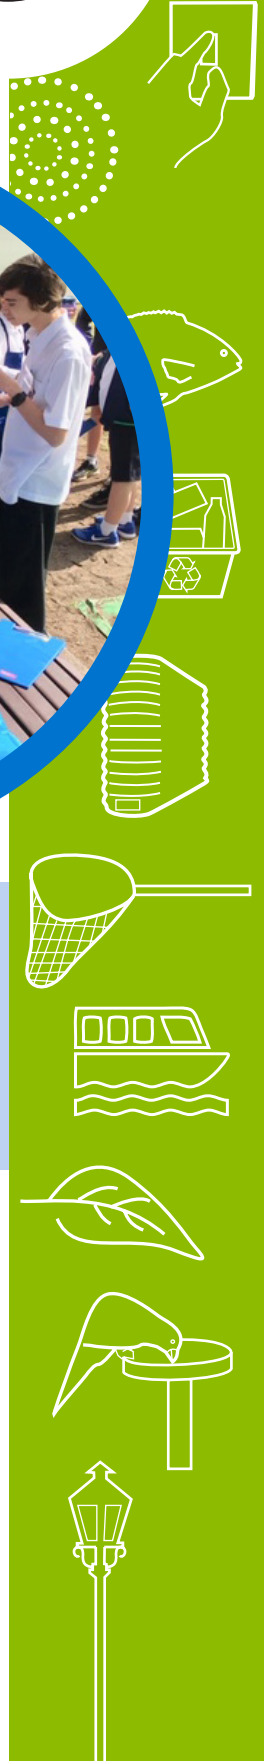

**Cost:** Students & teachers free (includes entry to Taronga Zoo)

**Date:** Thursday 28th July and Thursday 15th September

**Contact:** [observhill-e.school@det.nsw.edu.au](mailto:observhill-e.school@det.nsw.edu.au) or 9247 7321
