

# Bush Xmas - Living World

An incursion program to support ES1/S1 Science

*Bush Xmas is an approx. 1.5 hr Science & Technology incursion focussing on the Living World topic.*

The program combines story, song and craft to introduce students to Australian animals and their habitats. Students will take part in an interactive Christmas story to learn about Australian animals, and create a sustainable Christmas present and wrapping paper by stencilling an animal design onto a calico bag and wrapping paper. They will also learn and sing an Australian Christmas song and meet some preserved Australian animals up close.

**Cost:** \$10 per student

**Enquiries:** Phone: Observatory Hill EEC on 9247 7321

**Email:** [observhill-e.school@det.nsw.edu.au](mailto:observhill-e.school@det.nsw.edu.au)
