

# Coal Loader Centre for Sustainability

Excursions to support Stages 2-3 Science & Geography

**OBSERVATORY HILL**  
ENVIRONMENTAL EDUCATION CENTRE

Observatory Hill EEC has partnered with North Sydney Council to offer a range of full day, teacher led, S2 & S3 Science and Geography excursions at the Coal Loader Centre for Sustainability. Students will engage in unique, fun, hands-on, curriculum linked activities across this iconic site.

All excursions focus on the sustainability features of the Centre and are linked to one of the following topics:

- Stage 2 Geography: The Earth's Environment
- Stage 2 Science and Technology: Living World
- Stage 3 Science and Technology: Physical World
- Stage 3 Geography: Factors that Shape Places

**Cost:**

**\$15 per student - free for schools in North Sydney LGA**

**Enquiries:**

**Phone: Observatory Hill EEC on 9247 7321**

**Email:**

**observhill-e.school@det.nsw.edu.au**

**For more information about this program and other environmental education programs, visit the Observatory Hill EEC website at:**

**<https://observatoryhilleec.schools.nsw.gov.au/primary-programs>**

Our Centre is staffed by **experienced and qualified DoE Teachers**. It provides **cost effective, curriculum linked** programs that strengthen classroom learning. **Risk Assessment** advice for all programs is provided.
