

Community and Remembrance

An excursion program to support Stage 2 History

OBSERVATORY HILL
ENVIRONMENTAL EDUCATION CENTRE

'Community and Remembrance' is a History site study focusing on the 'Community and Remembrance' History content. Students will visit 'The Rocks', Sydney to see how the community has changed over time. Through story telling, games and site visits, students will learn about the traditional Gadigal Aboriginal people, convicts, and former residents of Susannah Place.

The program supports the key inquiry questions of who lived here first and how do we know? and 'How has our community changed? What features have been lost and what features have been retained?'

Cost: From \$9 per student
