

Taking care of our place – ES1/S1

A program to support Early Stage 1/Stage 1 Geography

OBSERVATORY HILL
ENVIRONMENTAL EDUCATION CENTRE

This approx. 1.5 hour ES1/S1 incursion program focusses on the Geography topics, 'People live in places' and 'Features of places'.

This program is designed to allow students to investigate and describe features of places across a range of scales within Australia. The program also emphasises ways that students can contribute to environmental quality at school (and at home), by undertaking simple actions that reduce their impact on the environment

Cost: \$5 per student

Enquiries: Phone: Observatory Hill EEC on 9247 7321

Email: observhill-e.school@det.nsw.edu.au

For more information about this program and other environmental education programs, visit the Observatory Hill EEC website at:

<http://observatoryhilleec.schools.nsw.gov.au/primary-programs>

Our Centre is staffed by **experienced and qualified** DoE Teachers. It provides **cost effective, curriculum linked** programs that strengthen classroom learning, as well as **Risk Assessment** advice for all programs.
