

The Nature of Art Pre and Post Incursion Activities

Pre visit activities

Activities prior to the delivery of the program will help prepare students for the day as well as link the program to the class program.

These could include:

- Share eBook Text Phasmids:
<https://books.apple.com/au/book/phasmids/id712107565>
- Visit <https://www.mylearning.org/stories/minibeasts/9> (on the whiteboard) and learn more about invertebrates

Follow up activities

- Create other models of either worms or phasmids showing features and adaptations of these creatures, place creatures into a diorama to show habitat.

Note: Observatory Hill EEC also has other incursion programs suitable for your stage. <https://observatoryhilleec.schools.nsw.gov.au/primary-programs/incursion-programs.html>
