

# Waterworks at school

A program to support Stage 1 Science

*This 1.5 hour S1 incursion program is focused on the Science topic, 'Earth and Space, particularly the inquiry and focus question, 'What are Earth's resources and how do we use and care for them?'*

The program explores how people use science in their everyday lives to care for the environment. It particularly focusses on the Earth's resource of water and how it is used by students in their daily lives. The program will also develop student's understanding of the 'sustainability' cross curriculum priority.

**Cost:** \$5 per student

**Enquiries:** Phone: Observatory Hill EEC on 9247 7321

**Email:** [observhill-e.school@det.nsw.edu.au](mailto:observhill-e.school@det.nsw.edu.au)
