

## Waterworks at School Pre and Post Incursion Activities

### Pre visit activities:

Activities prior to the delivery of the program will help prepare students for the day as well as link the program to the class program. These could include:

- Discussing how water is used in our daily lives and where water can be found.
- Discussing terms associated with water such as: taps, rain, water, river, lake, ocean, sea, dam, shower, hose, drought and creating a word wall.
- Sharing one of the following YouTube picture books about water:

All The Water in the World:

<https://www.youtube.com/watch?v=w1IHYFECdzc>

Hey Water: [https://www.youtube.com/watch?v=3I\\_pAcMI8-U](https://www.youtube.com/watch?v=3I_pAcMI8-U)

### Follow up activities:

- Practice The Water Song to perform on an assembly. The Water Song: <https://www.youtube.com/watch?v=CwpHMPH-WbM>
- Discuss students' responsibility to help with and care for our natural resources and the environment and roles that could be introduced e.g. energy monitors, water monitors, green team or recycling etc
- View The Water Bodies YouTube: <https://www.youtube.com/watch?v=bNWuQD7QHBc>
- Compile a collage of student's drawings of themselves saving water or using water sustainably.

Note: Observatory Hill EEC also has other incursion programs suitable for your stage. <https://observatoryhilleec.schools.nsw.gov.au/primary-programs/incursion-programs.html>
